

## DECANTER

"A heady Example with aromas of lavender, violets and cherries. It has an ambitious structure that is slightly stewed yet has great personality. It is animal and wild too; youn and electric "

## JANCIS ROBINSON

"Smells of rose petals and membrillo and roasted plums, with a suggestion of instant coffee powder. Ripe sweet fruit that makes me think of wrinkled plums. Warmly spicy, comforting, cashmere-soft tannins. Hint of dried bay leaf and rosemary. A very gentle Barbera d'Asti.
